In September 2019, the lycée Buisson opened the European Section. This section's purpose is to obtain a baccalauréat with a european mention.

In Seconde, the students can choose one or two subjects, for one hour each, in addition to their other classes, which will be taught in english. They can choose among :

- [History and Geography](#)
- [Mathematics](#)
- Physics and Chemistry
- [Engineering Sciences](#)

In Première and in Terminale, students have to keep only one subject for two hours per week.
