WELCOME TANYA !

Our school name is Ferdinand Buisson vocational school. It is situated in Elbeuf. There are 1000 students and 300 staff members on the site.

We are in 1MDA to study reception services and after our diploma we can become receptionists to cater for our customers in different places such as airports, hotels, shopping centres, hospitals and town halls.

In our class we are sixteen students, four boys and twelve girls, and we are between sixteen and eighteen years old. In our future job, we need to speak English because it is an important language and it's also an international language.
